PROFESSIONAL SUMMARY

Registered Nurse, Medical Writer, and Instructional Designer with a PhD in Psychology, BSN, and MPH, and over 10 years of combined clinical and healthcare education experience. My clinical foundation spans PACU, pre-op, post-op, Stepdown ICU, OB, L&D, and Postpartum nursing. I hold certifications in ACLS, BLS, PALS, TNCC, and NIH Stroke Scale (NIHSS), with ongoing CEUs in critical care, airway management, hemodynamics, and anesthesia-related concepts.

I develop medical writing, health writing, academic writing, curriculum, and instructional materials that are accurate, evidence-based, and written in plain language. I build SCORM-compliant e-learning in Articulate Storyline and Adobe Captivate, write full systematic literature reviews using JBI, CASP, and PRISMA frameworks, and ghostwrite full-length books - all manually, with zero AI-generated content. I also have hands-on experience with HIPAA compliance, UB-04 institutional billing, ICD-10-CM/PCS coding, and DRG documentation from direct collaboration with medical billing teams during my clinical nursing career.

Every deliverable is written manually. No AI-generated content is used. Completed work can include an AI detection report and a plagiarism check report on request.

TOP 15 SKILLS

1. Medical & Health Writing
2. Academic Writing & Research
3. Curriculum Development & Instructional Design
4. Nursing & Clinical SME
5. Thesis & Dissertation Support
6. Systematic Literature Reviews (SLR)
7. Academic Proofreading & Editing
8. Case Study Writing
9. NCLEX & Exam Content Development
10. E-Learning Development (Storyline, Captivate)
11. HIPAA & Healthcare Compliance Writing
12. Psychology & Behavioral Health Content
13. Manuscript Preparation & Research Publications
14. Medical Billing & Coding Knowledge
15. Humanize & Polish Content

COMPETENCIES BY DOMAIN

CLINICAL

PACU · ICU · Stepdown · OB/L&D · Postpartum · Post-operative · Perioperative Care

INSTRUCTIONAL DESIGN FRAMEWORKS

ADDIE · Bloom's Taxonomy · Gagné's Nine Events · Learner-centered design · Competency-based assessment

E-LEARNING AUTHORING

Articulate Storyline · Adobe Captivate · SCORM Compliance · LMS Integration

ACADEMIC & RESEARCH METHODS

SLR (JBI, CASP, PRISMA) · APA 7 · MLA · Chicago · Manuscript prep · Evidence synthesis · Critical appraisal

HIPAA & COMPLIANCE

HIPAA Privacy & Security Rules · PHI Handling · Compliance Training Content · Healthcare Documentation

MEDICAL BILLING & CODING

UB-04 Institutional Claims · ICD-10-CM/PCS · DRG Assignment · Revenue Codes · Medicare/Medicaid · CMS Guidelines

EHR SYSTEMS

Epic · Cerner · Athenahealth · Meditech

LMS PLATFORMS

Canvas · Moodle · Blackboard · Thinkific · Teachable

RESEARCH & CITATION TOOLS

EndNote · Zotero · PubMed · Google Scholar

CONTENT & DESIGN

Microsoft Word/PowerPoint · Google Suite · Canva

FEATURED E-LEARNING PROJECT

Post-Operative Patient Monitoring: Early Detection of Complications | [Articulate Storyline](#) · SCORM | 30–45 min module

Audience: PACU, ICU, and Stepdown nurses and clinical staff

- ▶ Built a SCORM-compliant interactive module on early detection of post-operative complications - vital sign monitoring, patient assessment, and clinical decision-making.
- ▶ Designed branching scenario simulations where nurses responded to real patient data (dropping BP, rising HR) with immediate evidence-based feedback on each decision.
- ▶ Developed a simulated patient monitoring interface where learners interpreted live vital sign data and selected appropriate clinical interventions.
- ▶ Included roleplay interactions with branching outcomes showing patient stabilization or deterioration based on learner choices.
- ▶ Integrated MCQs and a final assessment with clinical guideline references embedded throughout.

Outcome: 90% of participants reported increased confidence in managing post-op complications.

PROFESSIONAL EXPERIENCE

Clinical Instructor - Advanced Clinical Practice | [University of Texas Health Science Center](#) | Nov 2021 – Aug 2023

- ▶ Designed and delivered courses on Advanced Clinical Practice, integrating evidence-based practices into patient care instruction for nursing students and new clinical staff.
- ▶ Taught and mentored nursing students in high-acuity settings including PACU, ICU, and Stepdown units, providing hands-on clinical guidance and real-time feedback.
- ▶ Developed educational content, training session materials, and clinical simulations translating complex medical information into clear, actionable learning experiences.
- ▶ Trained students on HIPAA-compliant documentation, including proper PHI handling during interdisciplinary rounds, patient handoffs, and family communications.
- ▶ Collaborated with multidisciplinary clinical teams and used Epic EHR to ensure accurate, complete patient records aligned with CMS documentation standards.

Registered Nurse - OB, Postpartum, L&D, Pulmonary Stepdown, ICU | [Hospital Setting](#) | Feb 2019 – Oct 2021

- ▶ Provided direct patient care across obstetrics, postpartum, labour and delivery, pulmonary stepdown, and ICU settings.
- ▶ Monitored post-operative patients for early signs of complications including hypotension, respiratory distress, bleeding, and infection, and initiated appropriate interventions.
- ▶ Maintained HIPAA-compliant documentation daily, ensuring PHI was accurately recorded, securely stored, and disposed of per facility and federal policy.
- ▶ Collaborated with the medical billing department to ensure clinical documentation supported accurate UB-04 institutional claims, including ICD-10-CM/PCS coding, DRG assignments, and revenue code accuracy.

- ▶ Reviewed patient records to identify and resolve discrepancies between clinical documentation and submitted claims, ensuring compliance with Medicare and Medicaid billing requirements.
- ▶ Used Epic and Athenahealth for daily clinical charting, medication administration, lab result review, and treatment plan coordination.

Registered Nurse | [Therapy Resources International](#) | *Mar 2016 – Jun 2018*

- ▶ Delivered patient care across multiple clinical settings with documentation in Cerner and Meditech EHR systems.
- ▶ Maintained accurate, HIPAA-compliant clinical records in line with facility policy and federal documentation standards.

Content Writer & Subject Matter Expert | [Ixia Solutions LLP · Edmentum](#) | *Ongoing*

- ▶ Developed SME-level course content for Allied Health Careers training programs, covering clinical concepts in plain, learner-facing language.
- ▶ Invited to contribute as a Subject Matter Expert for Human Growth and Development curriculum.
- ▶ Researched and synthesized clinical and regulatory content into structured, citation-backed training material published on the Edmentum national platform.

Healthcare Content Writer & Freelance Medical Writer | [B'zoe Care · Direct Clients · Upwork \(Top Rated Plus\)](#) | *Jan 2017 – Ongoing*

- ▶ Top Rated Plus freelancer - 89+ completed jobs, 29 in progress, 900+ hours. 5-star average rating across medical writing, instructional design, academic research, and ghostwriting.
- ▶ Produces long-form SEO blog content for B'zoe Care (in-home care, Washington & Texas) in clinical nurse first-person voice for family caregiver audiences.
- ▶ Delivers thesis and dissertation support, systematic literature reviews (JBI, CASP, PRISMA), manuscript preparation, case study writing, NCLEX item writing, curriculum development, HIPAA compliance content, and medical billing training materials.
- ▶ Ghostwrites full-length nursing certification books (CCRN, FNP), self-help ebooks grounded in behavioral science, and non-fiction books for healthcare professionals.

EDUCATION

PhD in Psychology | [Fitchburg State University](#) | *Graduate*

MPH - Master of Public Health | [Cape Cod Community College](#) | *Graduate*

BSN - Bachelor of Science in Nursing | [Northwestern Health Sciences University](#) | *Undergraduate*

CERTIFICATIONS & LICENSURE

- ▶ **Instructional Design for Healthcare** - [Johns Hopkins University / Coursera](#) - *September 2012*
 - ▶ **Registered Nurse (RN)** - *Active License · Multi-State*
 - ▶ **ACLS** - *Advanced Cardiovascular Life Support*
 - ▶ **BLS** - *Basic Life Support*
 - ▶ **PALS** - *Pediatric Advanced Life Support*
 - ▶ **TNCC** - *Trauma Nursing Core Course*
 - ▶ **NIHSS** - *NIH Stroke Scale Certification*
 - ▶ **Critical Care CEUs** - *Airway Management · Hemodynamics · Anesthesia-Related Concepts (Ongoing)*
-

ACADEMIC & RESEARCH WRITING SERVICES

- ▶ Thesis and dissertation support: structure, methodology, literature review development, and chapter editing.
- ▶ Systematic literature reviews using JBI, CASP, and PRISMA frameworks, including database searches, critical appraisal, and evidence synthesis.
- ▶ Manuscript preparation and research publications formatted for peer-review submission.

- ▶ Case study writing and analysis for clinical and academic audiences.
 - ▶ Academic proofreading and editing in APA 7, MLA, and Chicago, including developmental editing, content restructuring, and clarity improvement.
 - ▶ Research proposals, capstone projects, methodology chapters, and scholarly essays across nursing, psychology, and public health.
 - ▶ Psychology and behavioral health content: mental health articles, psychotherapy education, and behavioral science ebooks grounded in PhD-level research.
